Bethel, Bellevue, and Springfield schools; and that Richard Forrester and R. A. Paul (colored) and one other member shall visit Baker, Navy Hill, and Valley schools.

Of course this resolution was adopted because of the popular outery in this city many Democrats more. In fact, there are and throughout the Commonwealth against slight differences in regard to the tariff the unspeakable outrage of having negroes appointed to visit white schools. But why could not the white members of the Board see that to adopt a resolution in that form and collecting, the disbursing, and the was to claim the right to adopt a resolution in a form which should send the negroes to the white schools? THE DEMOCRATIC VICTORY-FUNERAL OF A FORMER CITIZEN-FIRE-ELECTION IN THE COUNTIES-THE LYNCHBURG FAIR-CANE PRESENTATION.

[Correspondence of the Richmond Dispatch.] MAY 25, 1883.

The election in this city yesterday resulted as I telegraphed you last night. The intensest excitement prevailed around the poliing-places all through the day, and the close division on the color-line rendered the result decidedly doubtful, consequently the suspense between the closing of the poils and the announcement of the vote was painful. When it became known that, despite false registration, colonization, and other frauds, the Democrats had carried the day and elected two thirds of the Council, cheer after cheer rent the air and a feel ng of great relief was experienced.

The funeral-services of the late Thom:

JUNE 15, 1881. Hop Bitters Company:

I have been suffering five years past with neurelgia, liver complaint, dyspepsia, and kidney complaint, and I have doctored with fourteen different doctors, who did me no good. At last I tried Hop Bitters, and after using a few bottles I received a great benefit from them; and if I had used Hop Bitters regularly I would have been well before. I know them to be the best medicine in

the world for nervous diseases of all kinds.

RELIABLE TESTIMONY.

Philadelphia. Pa., September 6, 1862.

Hop Bitters Company:

I am seventy-four years old, have lived thirtyfour years in Philadelphia, and well known among
Germans. I have been troubled twelve years with
a white swelling on my right foot, and getting
worse every year, and very painful, and breaking
out in hot weather. I consulted several doctors,
and they told me it was incurable, and I would
have to take it with me in the grave. Some time
ago I lost my appetite, was costive, had headache,
and fever; in fact, was very sick. I saw in the
German Democraf that Hop Bitters was what I
needed. I got a bottle, took it one week, and was
as well again as ever, and to my greatest surprise,
right from the first my swelling went down gradually, and I taking another bottle, got entirely well
of it. The wife of my neighbor had two such
swellings on her legs, and three bottles cured her.
I think this is a great triumph for your bitters.

LEETONIA, PA., April 15, 1002.

Hop Bifters Company:
I have not been well for three years; tried almost every kind of patent medicines and no less than seven doctors, one of Elmira, N. Y.; none have done me any good. I finally tried your Hop Biters, and found them just the thing. I have praised them so highly there is a great number here who use them with great benefit and satisfaction.

Very respectfully yours,
R. HUNT.

Gentlemen: The Hop Bitters meet with large sales and give general satisfaction; one case in particular you should know of. Mr. John B. Green, 728 Spring-Garden street, Philadelphia, Pa., has been suftering from kidney affection, which superinduced rheumatism. He tried physicians and remedies in vain. He was obliged to take morphine to induce sleep, his trouble was so great. Reading your advertisement in the Christian at Work, he was prevailed upon by one of his daughters to try it. Three bottles effected a cure and now he is an enthusiast for Hop Bitters. He is one of the oldest residents in the locality named and known as a gentleman of unusual probity.
